

INIZIO STRINGS GUIDELINES FOR JOINING
(Auditions not required)

Basic note reading, C, G, D scales (know the finger patterns for those keys)

Late Suzuki book 1 progression at a minimum, or equivalent.

Understanding counting/rhythm through eighth notes.

All of the above skills are taught and reinforced in Inizio, but are approached as an ensemble, which will be new and more challenging for students.

Interested students / families are welcome to come ahead of a rehearsal to discuss with the director who may have them demonstrate a little of what they can do to ensure the ensemble would be a good fit for them.
