

# Tuition Payments & Discounts, Financial Assistance, and Ticket Sales policies

## Tuition Payments

Ensemble tuition is \$275 per student per ensemble. For each new academic year, full tuition is due by the **second** scheduled rehearsal of that student's ensemble. For any summer camp, tuition is due by the first scheduled rehearsal of that summer camp. **\*All paid tuition is Non-refundable.\***

## Tuition Discounts & Incentives

**Sibling Discounts** - a 10% tuition discount is available for students with a sibling enrolled in an FVYO ensemble for the academic year. The discount applies to both the first student as well as any enrolled sibling.

Please note that tuition discounts will not compound, so the maximum discount each student can receive per ensemble is 10%.

**Refer-a-friend incentive** – A student who successfully recruits another student into a full academic year program will receive a one-time \$25 discount on their next tuition payment. *This will be in addition to any already existing 10% discount.* A student may receive this incentive up to 2 times in a season (once each for up to two recruited friends). **Restrictions:** A new referral/member may only be claimed by a single existing student. A new referral/member may only be considered 'recruited' once to the FVYO ensembles. Referrals should be noted on the registration form of the newly referred ensemble member.

## Summer Camp Tuition & Discount

Summer camp tuition is \$100 per student per ensemble. Sibling discounts apply for summer camp tuition.

## Financial Assistance

FVYO works to ensure that students are not turned away due to financial status, and assistance is available to students/families who qualify. Funding is limited, so we encourage those who need assistance to register early, and to complete the financial aid application at that time.

## Ticket Sales Participation

**Concert Tickets:** Beginning with the 2017-2018 season there is no longer a ticket fee per student. Instead, each student will receive 3 tickets per concert. Tickets cost \$5 each. If a student sells those tickets and turns in the money, they can receive 3 additional tickets.

*These policies are subject to change each season as the organization regularly reviews its financial status and ability to offer aid.*
